

## **Worldcup 2013 – Announcement SMCU/FCI.**

Opposite as reported in the minutes of the meeting of the Section Mondioring, held on the 23th of Februari 2013 in Vendenheim, France.

Point 14: Socialization test. “ At the 2013 World Cup for Mondioring, there will be a control of the scorebook for a passed, recognized socialization test”. This decision is postponed to the World Cup for Mondioring 2014. If there is no registration of a passed, recognized socialization test, it will not be possible to enter the 2014 World Cup for Mondioring.

As decided earlier, all socialization test, presented to the SMUCU/FCI are valid. Also the international BH as mentioned in the FCI International Regulations for Working Dog 2012.

Participants from countries without a recognized socialization test, have to pass a BH according to the 2012 FCI International Regulations for Working Dogs or have to pass a socialization test in a country with a SMUCU/FCI recognized socialization test.

List of present recognized socialization test:

International : BH – (Begleithund)

Belgium: the socialization test

France: CSAU – (Certificat de Sociabilité et d’aptitude à l’Utilisation)

USA : Sociability test

Portugal : Teste Sociabilidade do CPC

The Netherlands: VZH: (Verkeerszekere hond)

Switzerland : SKN (Sachkundenachweis) Spain:
